What OTHER TEACHERS ARE SAYING . . .

I can't say enough wonderful things about these stories! My students have gained so much confidence using them and I have seen reading comprehension improve a lot! Thank you for a wonderful product!

★★★★★ Rachel S.

This has been a great resource in my special education classroom. This bundle is differentiated and all of my students can benefit from it.

★★★★★ Annie T.

Purchased this and it was totally worth the investment! This includes multiple passages that align to student interests and the worksheets align to standards/IEP goals.

★★★★★ Angela M.
