Reading Passage Level 1

## School

A school is a place in the community.

Reading Passage Level 2

## School

A school is a place in the community. Schools have been here for a long time. Students can learn different subjects like reading, math, science, and social studies. Some things found at schools are books, desks, paper, and pencils. Teachers, principals, secretaries, and custodians work at schools.

Reading Passage Level 3

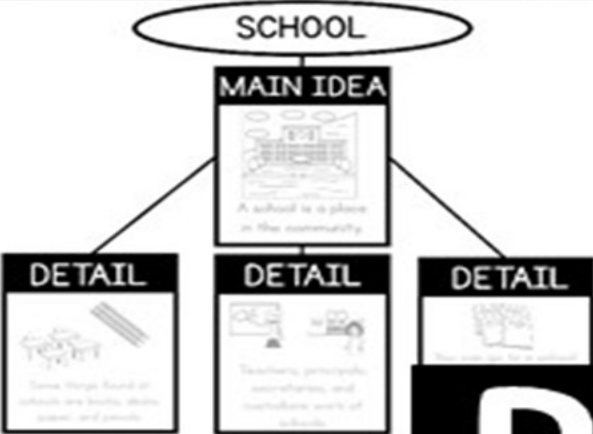

## School

A school is a place in the community. Schools have been here for a long time. Students go to a school to learn different subjects like reading, math, science, and social studies. Other subjects in school are gym, art, music, and more. Some things found at schools are books, desks, paper, and pencils. Teachers, principals, secretaries, and custodians work at schools.

# HOW TO USE THIS ...

-Work with students individually.

-Use for progress monitoring comprehension skills!

-Provide for work with an instructional aide.

-Use with students with AAC devices!

-Great for whole groups!

The image displays a collection of educational resources. At the top left, a white dish contains several colorful pushpins. Below it, a reading passage titled "School" is shown, featuring a central illustration of a classroom and several smaller images of school-related items. The text of the passage reads: "A school is a place in the community. Students study here for a long time. Students study different subjects like reading, math, and science. Some things found at school are paper, and pencils. Teachers, librarians, and custodians work at schools." To the right of the reading passage is a comprehension worksheet titled "School" with three questions: "1. Who works at a school?", "2. What can you find at a school?", and "3. Where are schools?". Each question has three options with corresponding icons: robots, player, teachers; apples, paper & pencils, football; and school, library, park. Below the worksheet is a WH-question diagram with a central oval labeled "SCHOOL" and five surrounding boxes labeled "WHO", "WHAT", "WHERE", "WHEN", and "WHY". At the bottom of the diagram are five icons with labels: "to learn", "teachers", "a long time", "in the community", and "many subjects".
