# How TO USE THiS RESOURCE...

Whole group reading lessons with each student working on their level!

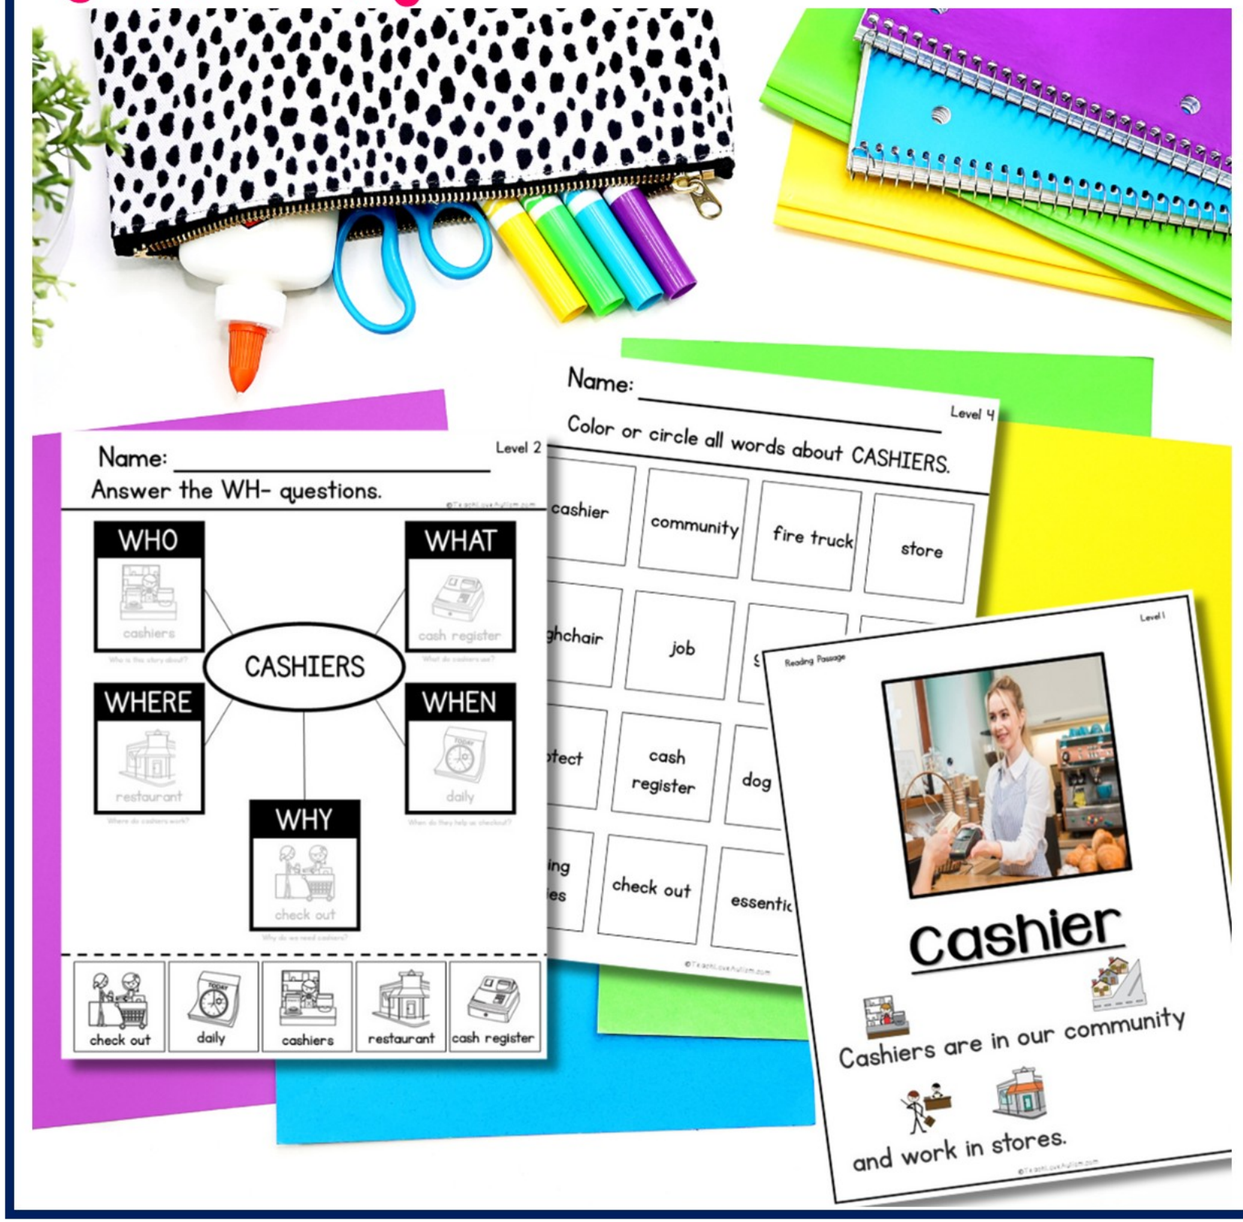

1:1 sessions with students at the level they need to learn.

Great for targeting IEP goals and progress monitoring reading comprehension, fluency, and accuracy!

Give to paraprofessionals to use at stations in one-to-one or small group settings.

# What OTHER TEACHERS ARE SAYING . . .

I can't say enough wonderful things about these stories! My students have gained so much confidence using them and I have seen reading comprehension improve a lot! Thank you for a wonderful product!

★★★★★ Rachel S.

This has been a great resource in my special education classroom. This bundle is differentiated and all of my students can benefit from it.

★★★★★ Annie T.

Purchased this and it was totally worth the investment! This includes multiple passages that align to student interests and the worksheets align to standards/IEP goals.
